

Marketing Graphic Designer (m/w/d) in Berlin, Working Student

Your role

As a member of our marketing team, you will focus on design and be responsible for delivering consistent and elegant marketing materials based on our startup's guidelines, as well as helping shape, improve and optimize our communication, content and identity.

You must have

- You are currently enrolled in a Marketing or Design-based degree
- Knowledge and experience using Adobe (photoshop, illustrator, indesign) or equivalent
- Understanding of Gsuite or MS Office
- Basic social media management skills (content creation)
- Excellent written and spoken English skills and ideally advanced German knowledge.
- You bring a solid willingness to learn, empathy and solution orientation.

A typical workday for you

- Your work will be at the intersection of marketing, sales, communication and design.
- You will be working collaboratively with the product team to help produce all types of marketing materials: website, landing pages, advertorials, case studies, brochures, posters, infographics, rollups, business cards, social media graphics, etc.
- You create or adapt templates for presentations, illustrations and videos.
- You will be part of the development of our corporate brand identity.

We encourage people of all ages to apply. We value diversity.

What we offer

- Versatile workplace in a young and growing soft robotics startup company with flat hierarchies. Get exclusive insights into a robotics company and work closely with our founders
- High learning potential with insight into all positions of the company
- Interesting practical work
- Flexible working hours
- Growth possibilities and the opportunity to actively participate in shaping the company's future and realize your ideas and projects; we like diversity
- Self-organized work in an open and dynamic team

How can you apply

You are interested and would like to learn more? We are looking forward to receiving your application with a current CV and a couple of words on why you think you are the right person for this position (no letter of intent). Just send us your documents to [Apply here](#) and we will get back to you within a few days.
